But over half a century later, we have to ask: how much has changed from then to now?

Garth Marengi's This Bursted Earth

12 Tachwedd 8pm

Mae'r awdur arswyd Nick Steen yn cael gweledigaethau ... Meindwr Du sinistr; goleuadau iasoer yn yr awyr sy'n edrych fel olwynion Catrin ond nid ydynt yn olwyn Catrin o gwbl ... A sgerbwd enfawr gyda mwstas. Ai argoelion ydynt? Arwyddion? Rhybuddion o beth sydd i ddod? (Sbwyliwr - ydyn', maen' nhw).

Dychrynwr Mawreddog Ffuglen Arswyd, ac awdur gwerthwyr gorau'r Sunday Times TerrorTome ac Incarcerat, daw tair stori ffiaidd newydd am...THIS BURSTED EARTH...

Horror author Nick Steen is having visions... A sinister Black Steeple; eerie lights in the sky that look like a Catherine wheel but are not remotely a Catherine wheel... Plus a giant skeleton with a moustache. Are they omens? Auguries? Portenderings of things to come? (Spoiler - yes, they are).

From the fevered imaginata of Horror Fiction's Grand Frightener Garth Marengi come three freshly rancid tales of...THIS BURSTED EARTH...

O Serameg i Sain | From Ceramics to Sound

27 Mehefin – 25 Medi / 27 June – 25 September

Tri ymarfer sy'n cyfuno serameg a sain: William Cobbing, Abi Haywood a Copper Sounds.

Yn cyflwyno fideo a cherflun serameg mewn gosodiadau amlgyfrwng ymdrochol, mae pob artist yn archwilio sut y gellir actifadu y cyfrwng o glai trwy berfformiad a thechnoleg, wrth drin sain – fel clai – fel deunydd hyblyg.

Three practices that combine ceramics and sound: William Cobbing, Abi Haywood and Copper Sounds.

Presenting video and ceramic sculpture in immersive multimedia installations, each artist explores how the medium of clay can be activated through performance and technology, treating sound – like clay – as a malleable material.

'Bywydau Ansefydlog: Rhyfel a Dadleoli yng Nghymru Unsettled Lives: War and Displacement in Wales'

**14 Mehefin – 26 Hydref /
14 June – 26 October**

Mae eleni yn nodi 80 mlynedd ers diwedd yr Ail Ryfel Byd. Ledled y wlad, byddwn yn cofio ymladdwyr a chymunedau. Un o agweddau llai adnabyddus y rhyfel yw dadleoli – cafodd dros 60 miliwn o bobl eu dadleoli yn Ewrop yn unig, gan gynnwys llawer i Gymru. Bydd yr arddangosfa hon yn cynnwys gweithiau celf, arteffactau a straeon ymfudo y rhai a ddadleolwyd i Gymru yn ystod hanner cyntaf yr 20fed ganrif, yn ffoaduriaid, carcharorion rhyfel, a faciwis o rannau eraill o Brydain. Bydd hefyd yn cynnwys darnau gan y rhai sydd wedi cyrraedd Cymru yn fwy diweddar yn sgil gwrthdaro a rhyfel, gan gynnwys teuluoedd o'r Wcráin a Syria.

This year marks the 80th anniversary of the end of the Second World War. All over the country, we will remember combatants and communities. One of the war's lesser-known aspects is that of displacement – over 60 million people were displaced in Europe alone, including many to Wales. This exhibition includes artworks, artefacts and migration stories of those displaced to Wales during the first half of the 20th century: of refugees, prisoners of war, and evacuees from elsewhere in Britain. It also features pieces from those who have arrived in Wales more recently due to conflict and war, including from Ukraine and Syria.

Ar Lan y Môr | On the Seashore

10 Tachwedd – 8 Chwefror / 10 November – 8 February

Yn dilyn llwyddiant arddangosfa gwneuthurwr printiau Aberystwyth/IBERS, Miscanthus, yn 2024 'rydym yn falch i gyhoeddi cydweithrediad eleni ar thema arfordir canolbarth Cymru, gyda'r ffocws ar wymon.

Mae'r ddau bartner yn gymdogion agos ar gampws IBERS ac yn awyddus i ddatblygu'r rhyngwyneb rhwng celf a gwyddoniaeth. Byddwn yn tynnu ar arbenigedd a gwybodaeth academyddion, gwyddonwyr ymchwil, haneswyr ac artistiaid ynghyd â'n cymuned leol. Bydd yr arddangosfa ganlyniadol yn cyd-fynd â Chynhadledd Cymdeithas Wymonegol Prydain a gynhelir yn Aberystwyth yn gynnar yn 2026.

Following on from the successful Aberystwyth printmaker/IBERS Miscanthus exhibition in 2024 we are proud to announce this year's collaboration on the theme of the mid Wales coast, with a focus on seaweed.

Both partners are close neighbours on the IBERS campus and are keen to develop the interface between art and science. We will be drawing on the expertise and knowledge of academics, research scientists, historians and artists together with our local community. The resulting exhibition will coincide with the British Phycological Society Conference to be held in Aberystwyth early in 2026.

Valérieane Leblond

**1 Awst – 12 October /
1 August – 12 October**

Mae Valérieane Leblond yn artist Ffrengig a Quebec sy'n byw yng Nghymru. Wedi'i ddylanwadu gan gelfyddyd werin a chynefinol, mae ei phaentiadau a'i darluniau yn aml yn ymdrin â'r syniad o berthyn, sut mae pobl yn byw yn y tir a beth sy'n gwneud y lle mae'n nhw'n ei alw'n gartref.

Valérieane Leblond is a French and Quebecker artist living in Wales. Influenced by folk and primitive art, her paintings and illustrations often deal with the idea of belonging, how people inhabit the land and what makes the place they call home.

Yr Arbrofolwyr | The Experimentalists

Cynhyrchwyd yr arddangosfa hon o waith gan aelodau ein grŵp celf arbrofol poblogaidd Yr Arbrofolwyr. Mae'r dosbarth yn annog hunan-fynegiant ac arbrofi creadigol trwy weithio'n uniongyrchol o fywyd, gan ddatblygu sgiliau arsylwadol a gweithio ar themâu gosod neu dasgiau arlunio unigol. Mae Charlotte yn cael ei denu at y byd naturiol o'i chwmpas a natur ddeinamig y dirwedd.

Dance School, Stage School & Youth Theatre

We offer a wide range of dance classes from Monday to Saturday, both during the day and after school, catering to all ages and abilities. Our Dance School follows the graded systems of the Royal Academy of Dance (RAD) for Ballet and the Imperial Society of Teachers of Dancing (ISTD) for Modern and Tap. Examinations are available and provide a valuable measure of progress, though they are entirely optional and designed to be accessible for most students. Dance School pupils also have regular opportunities to perform and showcase their progress in front of an audience.

Alongside our syllabus-based classes, we also run non-exam dance sessions such as Commercial Fusion, Adult Ballet, Prime Time Tappers, Musical Theatre, and more. These fun, energetic classes are perfect for those who want to enjoy dancing, stay active, and express themselves without the pressure of formal assessments.

Our Stage School and Youth Theatre provide professional actor training in a fun, inclusive, and supportive environment. Open to young performers of all ages, these classes help develop skills in acting, dancing, and singing.

Members have regular opportunities to put their talents into practice through studio sharings and main stage performances, with the option to take examinations through LAMDA or Trinity College London.

To enrich the learning experience, we regularly invite professional companies and guest artists to deliver workshops and masterclasses, giving our pupils the chance to explore new styles, techniques, and perspectives.

From Frozen Jr. and Finding Nemo Jr. to A Christmas Carol and The Addams Family: Young@Part, our recent productions have delighted audiences and packed out our theatre – proof that our young performers know how to put on a show!

As part of Aberystwyth Arts Centre, our members also benefit from being at the heart of a vibrant creative hub. With professional companies performing here throughout the year, pupils often have access to discounted tickets and exclusive workshops – connecting their learning directly to the wider world of the performing arts.

Classes are available for ages 3 and up.
